

## **A Tiny Hand We'll Never Hold**

A tiny hand we'll never hold,  
A child without a name;  
Your coos and giggles  
Won't touch our ears,  
But we loved you just the same.  
The twinkle in your little eyes,  
Was not for us to see;  
We longed to hold you in our arms,  
But it never came to be.  
Angels now hold your tiny hand,  
They've given you a name;  
Your coos and giggles grace their ears,  
But we'll miss you just the same.  
The twinkle in your little eyes,  
Now lights the sky at night.  
Angels hold you close in loving arms,  
You're always in their sight.  
A tiny hand we'll never hold,  
We have no reason why;  
But we'll always hold you in our hearts,  
Even though we said good-bye.
